PAUL WERTLAKE, M.D., Pathologist, Good Samaritan Hospital, Los Angeles, California, advised that after the surgery had been performed on Senator ROBERT KENNEDY, he personally, at approximately 6:30 AM on June 5, 1968, removed certain specimens from the Surgery Room to the Pathology Room. Dr. WERTLAKE identified these specimens as bullet fragments, bone particles and bits of tissue from the skull of the victim. Some of the bone particles have bullet fragments adhering to them. The largest bone particle is a bone flap with a burr hole on one side. This was removed to furnish the surgeons an entry into the interior of the head and to relieve intolerable pressure inside the skull. The specimens were all turned over to the coroner. Dr. WERTLAKE advised that a photographer of the Los Angeles Police Department (LAPD) took photographs of these specimens. :

A Declaration of War
when by the course of human events

against me by the American people.
The main object of this Declaration will
be to inform the people of the

causes of my actions and to
acquire some measure of the satisfaction
of which have not been established

The victims of the path in favor
of this declaration will be or are

Individuality is the necessary complement
of the Universal Spirit which was the subject
of our consideration last Sunday - The
whole problem of life consists in finding
the true relation of the individual to the
Universal Originating Spirit and the first step
towards ascertaining this is to realize
what the Universal Spirit must be in
itself, we have already done this to a
certain extent and the conclusions we
have arrived at are -

that the essence of the spirit is life,
love and beauty

DECLARATION

The "DECLARATION" has made an intentional, dangerous snipe at one individual involved in student government. IF any person has been unfairly accused of any act or omission, poor judgment in execution of a task or otherwise, then apologies are in order. Being awarded to them, and only them, without qualifications are not being considered.

Students had been rendered by either parents' accounts in poor form, literature distributed at the campus. In the last said that these earlier "accidents" occurred to these ideas on the campus.

Students are not to be blamed for the "DECLARATION" but they are not to be blamed for the "DECLARATION".

A student of the "DECLARATION" is a student of the "DECLARATION" who is not to be blamed for the "DECLARATION" but they are not to be blamed for the "DECLARATION".

Students are not to be blamed for the "DECLARATION" but they are not to be blamed for the "DECLARATION".

Students are not to be blamed for the "DECLARATION" but they are not to be blamed for the "DECLARATION".

TO HOW DO THE STUDENTS BELONG?

Students are currently discontented with the condition of senior privileges.....which are very apparent because of their absence.

If the center section of the "DECLARATION" is designated to seniors, then why isn't there an enforcement of this law?

sort of a farce are the 12th of falling for when they are not to be blamed for the "DECLARATION" but they are not to be blamed for the "DECLARATION".

The proposed constitution would hold elections every 5 years as opposed to the 4-year term for the House of Representatives. It would also reduce the number of representatives from 435 to 300. It is hoped that by reducing the number of representatives, the House would be able to do a better job of representing the people.

For a person to put his thoughts into words, is a difficult task if you were to remember that that person is a twofold who is therefore more psychically inclined than his urban contemporary.

America will soon face a downfall so abysmal, that she will never recover from it. This statement is based on several observations and incidents that the writer experienced.

The American politician leads his people through any course that he wants them to - this is possible because the people do lack the initiative, ~~we~~ or are indifferent to the actions of their leaders. Their leaders say: you have the right to speak against your govt, & and support its changeover - but remember, - ~~that~~ ~~democratic means only~~ - if otherwise we will blast the hell out of you. And besides, you wouldn't want to do anything like that, it is stupid, costly and wasteful. Just let us run the country hire our relatives to work for us - and earn fat checks.

NOW! Through his Incredible Power

MENTAL PROJECTION

-You Can "PROJECT" Things Metaphysically Right into Being!

Dear Friend:

Here's news about a revolutionary and potentially earth-shaking PROJECTION mechanism. It's based on a new metaphysical discovery, and is now available in a startling book.

It's true. The famous "20th Century Philosopher," Anthony Norvell, reveals one of the most astounding discoveries ever made: how to use a powerful PROJECTION mechanism to metaphysically transform your thoughts and desires into reality.

Called "MENTAL PROJECTION" this mind mechanism can change your entire life -- from the very first moment you turn it on -- money and power appear meta-physically, as if out of nothing.

The famous Anthony Norvell explains the transmutation techniques you need to work "MENTAL PROJECTION" -- and tells you with complete details:

- * How to tune into the "Music of the Spheres" the wavelength over which all "PROJECTION" takes place.
- * How to "PROJECT" yourself into "The Land of Beginning Again" and wipe out all your past mistakes and failure in a single blow, and start over with a clean slate.
- * How to "PROJECT" yourself through a mirror and come out with such dignity, such regal power no one will dare defy you.
- * How to write a sum of money on a slip of paper and "PROJECT" it into becoming yours.

Now I will give you a clear, scientific demonstration of the natural laws behind "MENTAL PROJECTION."

WHY YOU CAN TRANSMUTE THINGS INTO EXISTENCE!

For over 25 years Anthony Norvell searched the literature of all ages,

space. You start with nothing, and by simply reversing the appropriate natural law, you end up with something -- exactly what you want.

For example, you'll see how to use the following techniques to "PROJECT" meta-physically what you want:

1. How to "PROJECT" a much longer life for yourself -- 100 and over is not impossible -- by increasing your own personal charge of "magnetism."
2. How to "PROJECT" firmer lips, cheeks, smoother skin and a younger look, in general, through the technique "magnetic tensing."
3. How to "PROJECT" contact with the "Higher Mind" and get explicit advice on any problem having to do with family, neighbors, friends or bosses.
4. How to "PROJECT" and shape your future in the areas of finance and prosperity with the "Law of Predominant Impression."
5. How to "PROJECT" yourself a "Hypnotic Eye" which can wither and take over any opponent who dares look at it.
6. How to "PROJECT" an Invisible Golden Line of Power which can be placed in another person's mind.
7. How to "PROJECT" messages through brain contact alone. The other person will never know where the message came from. But will think it's his own idea.

Yes, you'll discover all this and more in Anthony Norvell's epoch-making book. You'll see how it all works by reversing many of the traditional laws of nature. Things that were once impossible are now possible.

Martin Bates

travelled to corners of all parts of the earth. And throughout it all he looked for just one thing -- the power to turn thought into reality. Nowhere was the answer to be had. But finally he discovered that with a certain technique he could reverse important key laws of nature.

He discovered that he could make it just as easy to create matter, as it usually is to destroy it. It's easy to start out with something -- say a \$100 bill -- put a match to it and end up with nothing. Now he found out, you can start out with nothing, AND END UP WITH SOMETHING.

He could hardly contain his excitement. He tried it once. It worked. He began telling others about it. It worked for them. He called it "MENTAL PROJECTION" and tried it on thousands of people no different from you.

USED BY THOUSANDS OF PEOPLE

- xx Jane Addams was given 6 months to live because she was chronically wasting away. But by giving away a certain part of herself, she was able to "PROJECT" herself practically a whole new body. She lived to bury four of her doctors.
- xx A woman was 76. She never had a trade or profession but always longed for one. She used The "Invisible Law of Mental Vibration" to "PROJECT" herself a talent. She became a great painter and made \$1 million before she died at over 100.
- xx A young man was caught in a fire. His legs were just about burned away. Doctors feared he would die. He managed to pull through, but without hope of walking again. Yet by contacting the "Cosmic Mind" he was able to "PROJECT" himself a "new" set of legs. A few years later, in the world famous Madison Square Garden, he ran the world's fastest indoor mile.
- xx A man and his wife had little money. But they had their hearts set on owning their own home. They used the technique of "Centro-Dynamics" to "PROJECT" not just any old home, but their dream house. And they got it for what little money they had.
- xx A certain group of people had no future before them. No money. No contacts. No influence. Yet they wanted to be famous. They used "The Magic Circle" technique to "PROJECT" a great talent into their lives. Later, they all became famous movie stars. You'll recognize their names immediately.
- xx A man had no money all his younger life. His father died at a young age. His mother scraped along by selling biscuits to men for lunch. Then he used the Law of Capillary Action to "PROJECT" great wealth into his life. Before he knew it the biscuit business just grew and grew. He became a multi-millionaire.

Yes, "MENTAL PROJECTION" works. All you need do is use the specific techniques, for the specific things you want.

THE FABULOUS CAREER OF ANTHONY NORVELL

For twenty-five years, a bronze plaque on the doors of New York's world-famous Carnegie Hall has commemorated the teachings of Anthony Norvell, one of the great minds of our time.

Over the years, tens of thousands have come to absorb his deep and profound wisdom — a complete and practical system of self-mastery and spiritual power that combines the Science of the West with the Mystic Knowledge of the East.

Norvell's deep thirst for spiritual fulfillment has taken him on travels to the most remote corners of the earth. He spent many years in India, where he studied with a noted guru (Holy Master). In North India, he later met a Tibetan monk from the Great Monastery at Lhasa, who revealed centuries-old secrets to him — the most sacred mysteries of the Orient, revealed in this book.
